	(RANKED BY MEAN)	MEAN	10	6-9	5	1-4	DK
_a.	**(CORRUPTION)** Calvert has a history of using taxpayer funds for his personal profit. He bought a vacant parcel of land near a freeway and then earmarked $10 million dollars in taxpayer money to build a freeway exchange and commercial development nearby. He then sold the land a year later and made 435 thousand dollars, nearly double what he paid. As a result, Calvert has repeatedly been named one of Congress' most corrupt members.	**5.66**	33%	9%	7%	40%	12%
_b.	**(CHOICE)** Ken Calvert has spent the last 30 years attacking women's rights, including signing a letter urging the Supreme Court to overturn Roe v. Wade. He supports letting politicians completely ban abortion with no exceptions for rape, incest or to save a woman's life. He even voted to ban abortion nationwide, including in California. If Ken Calvert gets his way, California women will lose their right to make their own health care decisions.	**5.02**	32%	7%	3%	49%	8%
_c.	**(LGBTQ)** Ken Calvert has a 30-year track record of opposing marriage equality and LGBTQ rights in Congress. He voted against protecting LGBTQ people from hate crimes, sought to ban marriage equality in California, voted against repealing the military's Don't Ask Don't Tell Policy and just last year, voted against the Equality Act that protects LGBTQ people from being fired or losing their home because they're gay. In fact, Equality California and the Human Rights Campaign have given him a "zero" rating for his consistent opposition to LGBTQ rights.	**4.91**	29%	8%	5%	49%	9%

Rollins is a typical liberal tax-and-spend politician. He is backed by Nancy Pelosi and Washington politicians who have raised taxes on families and small businesses and supported record spending that has led to out-of-control inflation and sky-high gas prices. He is also backed by the radical left and its agenda of defunding the police and open borders for illegal immigrants.	**5.65**	36%	11%	4%	42%	7%
