

Poll Demographics

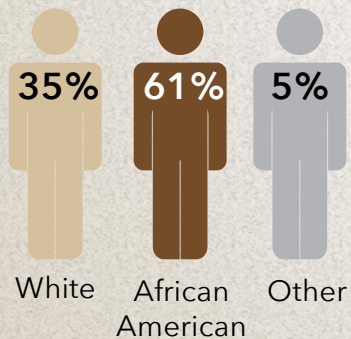

Gender

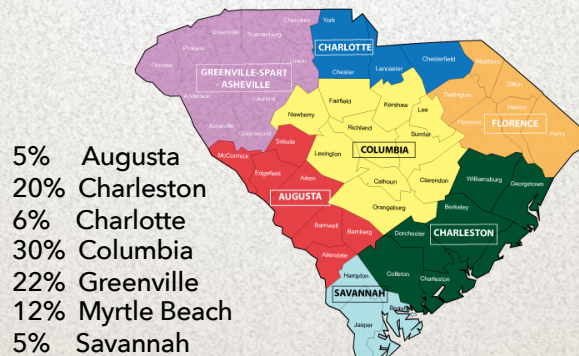

Age

Ethnicity

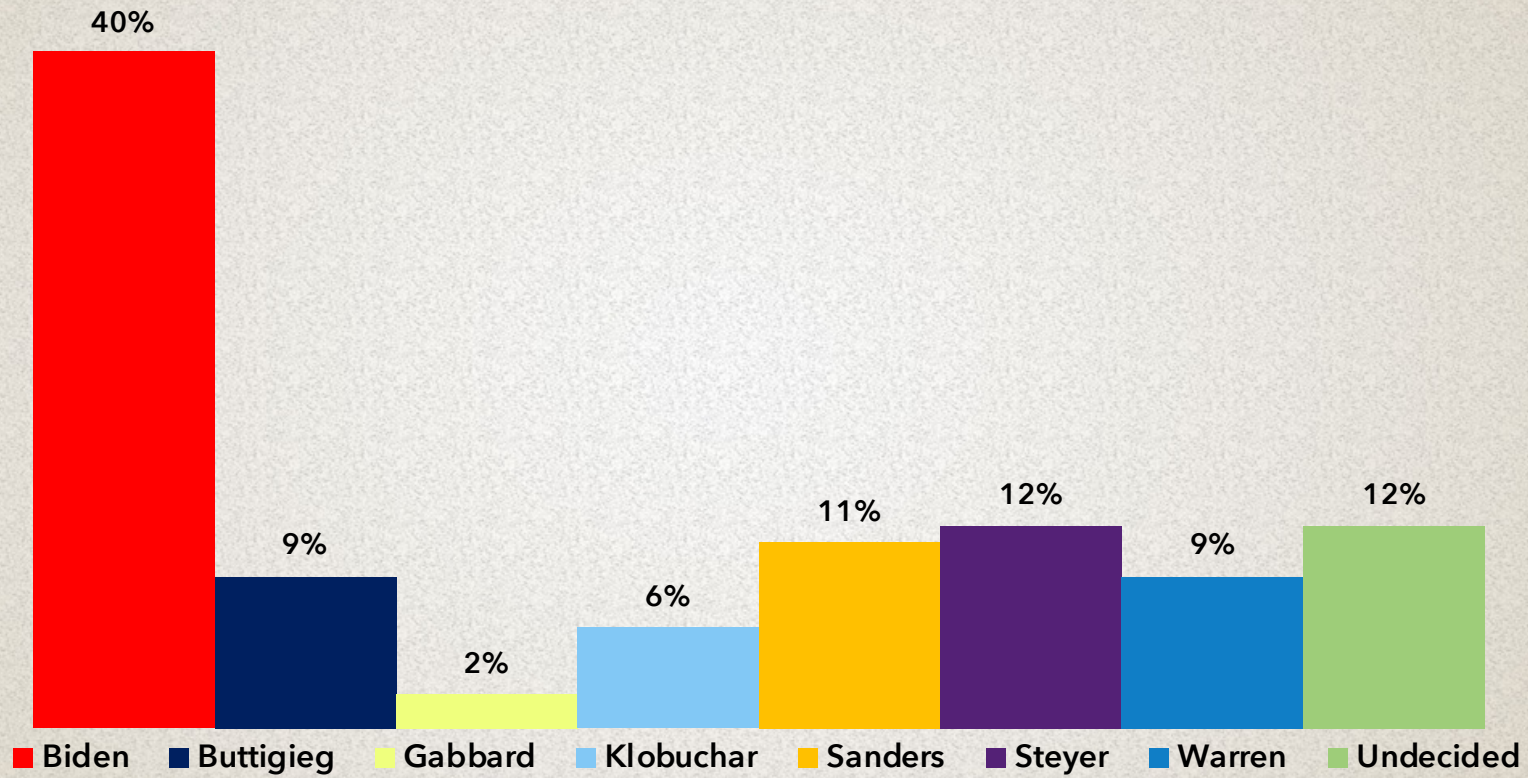

Geography - DMA

- **Fielded:** Feb. 26, 2020
- **Method:** Multi-Mode, Mobile, Text, Live and Automated Landline Interviews
- **Population & Sample Description:** 1,102 Likely Democrat Primary Voters
- **MoE:** +/- 2.82% in 19 out of 20 cases

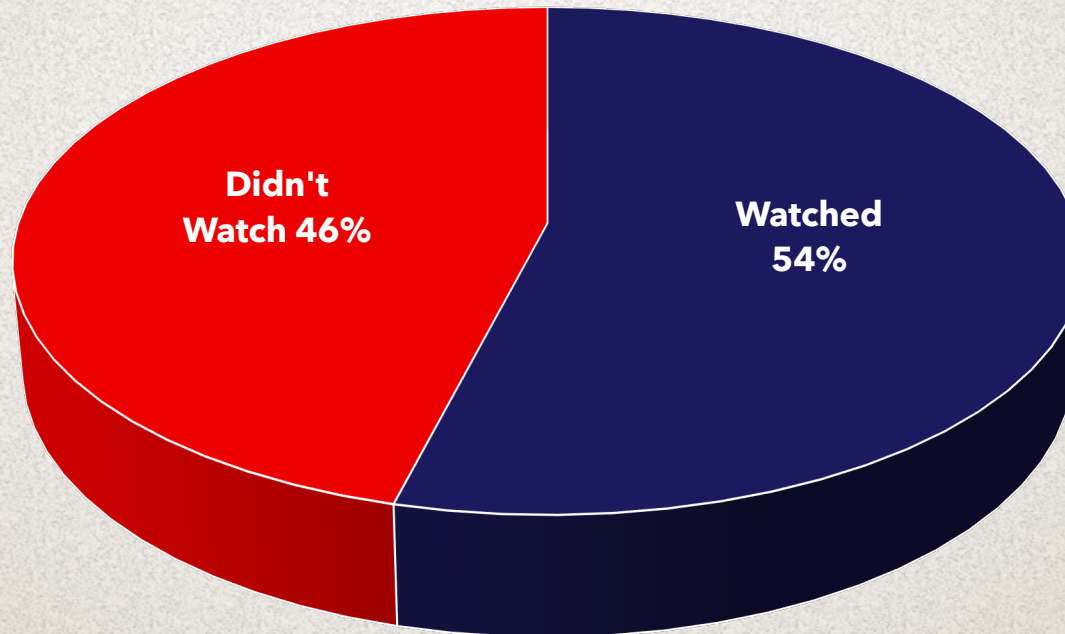

Each respondent was registered to vote in South Carolina and part of a representative sample based on current voter registration statistics. Data was stratified to represent accurate proportions in vital characteristics including race, age, gender, geography and political persuasion.

Ballot Test

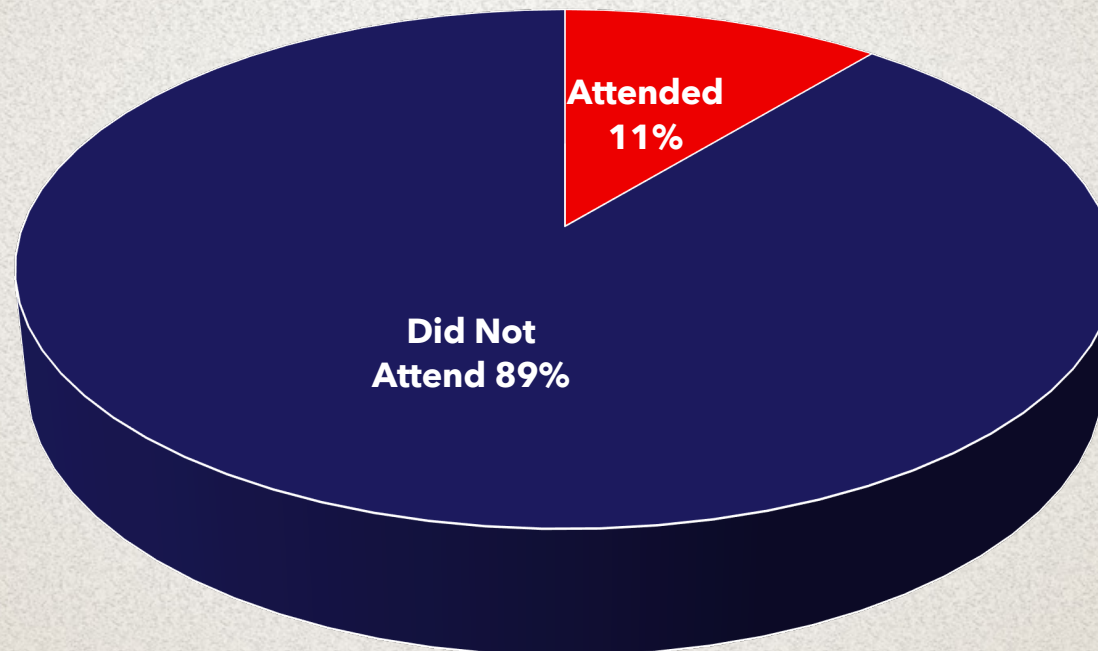

Debate Watch

"Seven of the candidates participated in a debate in Charleston last night that was broadcast nationwide on CBS news. Were you able to watch some or all of the debate?"

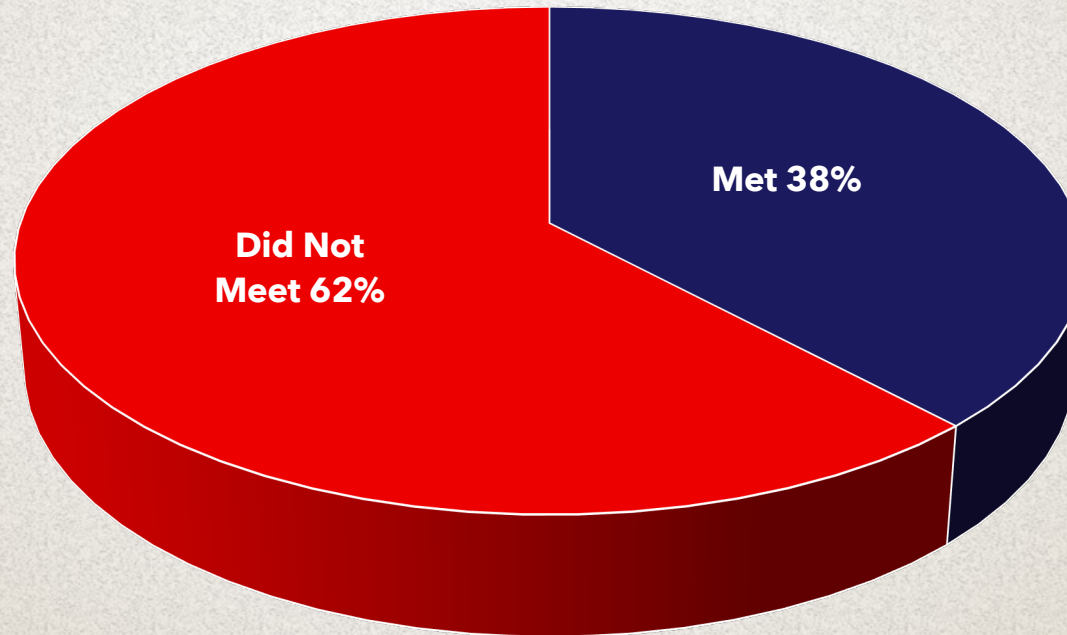

Personally Attend Rally/Event

"During the campaign in South Carolina, did you or did you not personally attend any campaign rally or event by any other of the candidates?"

Personally Met Candidate/Volunteer Contact

"Did you or did you not personally meet any of the candidates or meet a volunteer from the campaign during the course of the Campaign in South Carolina?"
