

These results are based on responses from 1,911 Americans collected between May 29th and June 1st via the Premise smartphone application. Premise used stratified sampling of its opt-in panel members, along with post stratification weighting based on the American Community Survey to provide a representative sample. These results are weighted by Age, Gender, Region, and Education.

President Joe Biden and House Speaker Kevin McCarthy have reportedly reached a deal to raise the debt ceiling and avoid defaulting. The deal raises defense spending 3% and keeps all other spending at its current level for next year while providing a 1% increase in all other spending for 2025. How do you feel about this deal?

These results are based on responses from 1,911 Americans collected between May 29th and June 1st via the Premise smartphone application. Premise used stratified sampling of its opt-in panel members, along with post stratification weighting based on the American Community Survey to provide a representative sample. These results are weighted by Age, Gender, Region, and Education.
