NM-02: Global Strategy Group, a Democratic firm, conducted a poll (July 19-25; 500 LVs; +/- 4.9%) for Las Cruces City Councilman **Gabe Vasquez** (D) that showed him leading Rep. **Yvette Herrell** (R), 45%-44%. The poll, shared exclusively with *Hotline*, showed that Vasquez's name ID was at 31% in the newly-drawn district, while Herrell's name ID was at 71%.

Under the new congressional map, Biden carried this district by 6 points. Herrell is one of the most vulnerable Republican members in the country after redistricting. (*Hotline* reporting)
